Experience

DeepL

2 years 11 months

Content Designer

October 2023 - September 2025 (2 years)

Berlin, Germany

DeepL is a global Language AI platform helping businesses and individuals translate, write, and communicate across languages with greater accuracy, speed, and clarity.

- Drafted UX and product copy across DeepL Translator, DeepL Write, DeepL Voice, desktop and mobile apps, Microsoft 365 and Google Workspace integrations, and web product surfaces.
- Shaped free-to-paid conversion flows, writing upgrade prompts, value messaging, and checkout and sign-up copy—supporting a 12% lift in paid conversion and a seven-figure ARR uplift.
- Developed copy for desktop store listings, download pages, and promotion surfaces—tied to 6M+ desktop downloads, 25% growth in active users, and 10% more feature engagement.
- Designed copy for SSO setup, role-based permissions, audit logs, and billing/admin separation—clarifying IAM and account management for enterprise admins.
- Refined UX copy across navigation, integration pages, CTAs, and entry points for clarity, terminology consistency, and brand alignment—partnering with product, design, localization, monetization, and engineering.

Marketing Copywriter

November 2022 - October 2023 (1 year)

Berlin, Germany

- Owned B2B marketing copy for DeepL's Go Enterprise initiative across 25+ landing pages—supporting 15% more organic traffic, 30% higher conversion rates, and approaching €1M in additional revenue.
- Reworked DeepL's flagship Enterprise page, supporting a 20% lift in B2B engagement and 15% more sales inquiries.
- Authored The state of translation and localization in 2023–2024, a flagship report behind a six-figure lead generation pipeline.
- Wrote marketing copy across email campaigns, press releases, blog posts, case studies, and sales decks, partnering with CRM, PR, and sales enablement teams.

Localize

SEO & Inbound Content Lead

September 2021 - September 2022 (1 year 1 month)

Berlin, Germany

Localize's global mobility platform makes it easy for companies to hire and relocate talent across the world. A trusted tech partner of people teams across Europe, Localize streamlines international relocations, work permit and visa processes, foreign business trips and more.

- Developed and executed paid & organic content strategies to increase brand awareness and secure MQLs across multiple EU markets.
- Implemented SEO best practices and monitored site health through regular technical audits.
- Worked closely with sales to create country-specific and product-focused enablement material.

SmartRecruiters

Content Marketing Manager

September 2019 - December 2020 (1 year 4 months)

Berlin, Germany

SmartRecruiters' Talent Acquisition Suite allows teams to attract, select, and hire the best talent. Over 4,000 companies worldwide rely on SmartRecruiters to achieve hiring success—including brands like Bosch, LinkedIn, Skechers, and Visa.

- Developed and executed content strategy that increased monthly organic traffic to SmartRecruiters' blog by +200% over a 15-month period and secured several first-page Google rankings for strategic keywords.

- Partnered with revenue team to create content for demand generation campaigns that resulted in acquisition of 200+ new enterprise accounts, 85% YoY net bookings growth, and 93% gross retention.
- Scaled content operations by managing roster of contributing writers which included freelancers, SmartRecruiters' customers, strategic partners, and internal stakeholders.

Airy

Communications and Content Marketing Manager

January 2019 - August 2019 (8 months)

Berlin Area, Germany

Airy provides businesses with messaging-powered marketing and communications tools that are cost-effective, frictionless, and user-friendly.

- Built multi-channel content strategy from ground up.
- Created B2C Messaging industry's first comprehensive product buyer's guide under the advisory of board member Bill Macaitis (Slack, Zendesk, Salesforce).
- Collaborated with sales team to craft customized content in support of initiatives aimed at vertical market expansion.

Joblift

PR & Content Marketing Manager US

May 2018 - December 2018 (8 months)

Berlin Area, Germany

Joblift is a job platform that applies the latest machine learning techniques and big data-based algorithms to create the optimal match between employer and applicant.

- Worked with managing director of US market to implement PR and content strategy in support of business plan that helped grow company from zero to multi-million dollar run rate within two years.
- Identified US labor market trends using proprietary company data and used findings to write and distribute press releases to journalists and media outlets.
- Coordinated with performance marketing team to write copy for high-volume customer acquisition campaigns that helped deliver more than 100% YoY revenue growth and 250% YoY ROAS growth.

Kitchen Stories -- AJNS New Media GmbH

Food Editor

January 2015 - November 2016 (1 year 11 months)

Berlin Area, Germany
